How to Use Spybot Search and Destroy

Open Spybot Search and Destroy

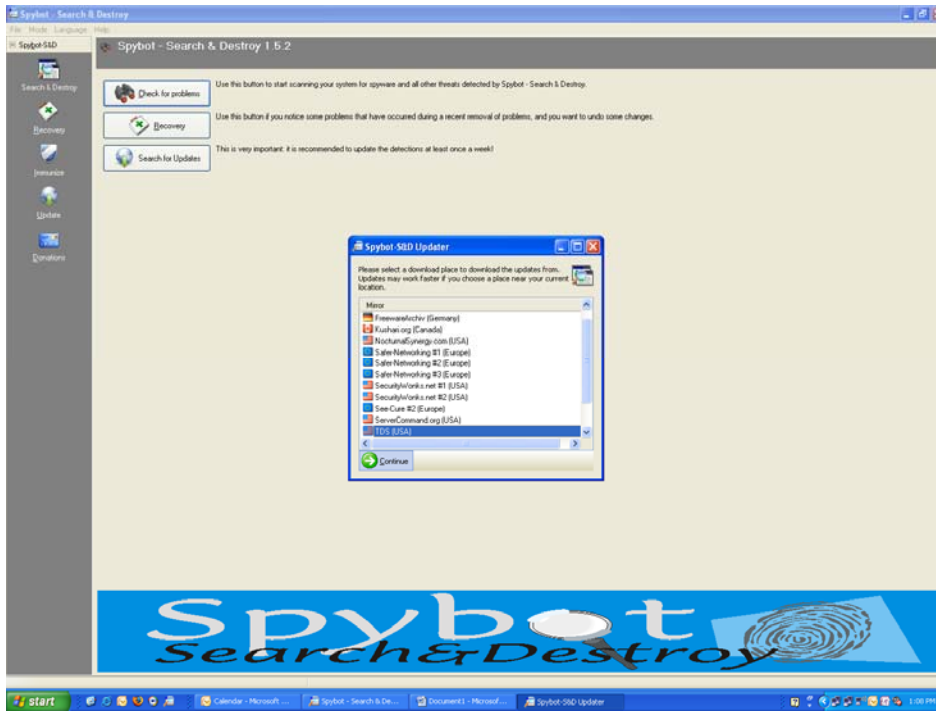

Click on Update on the left hand side

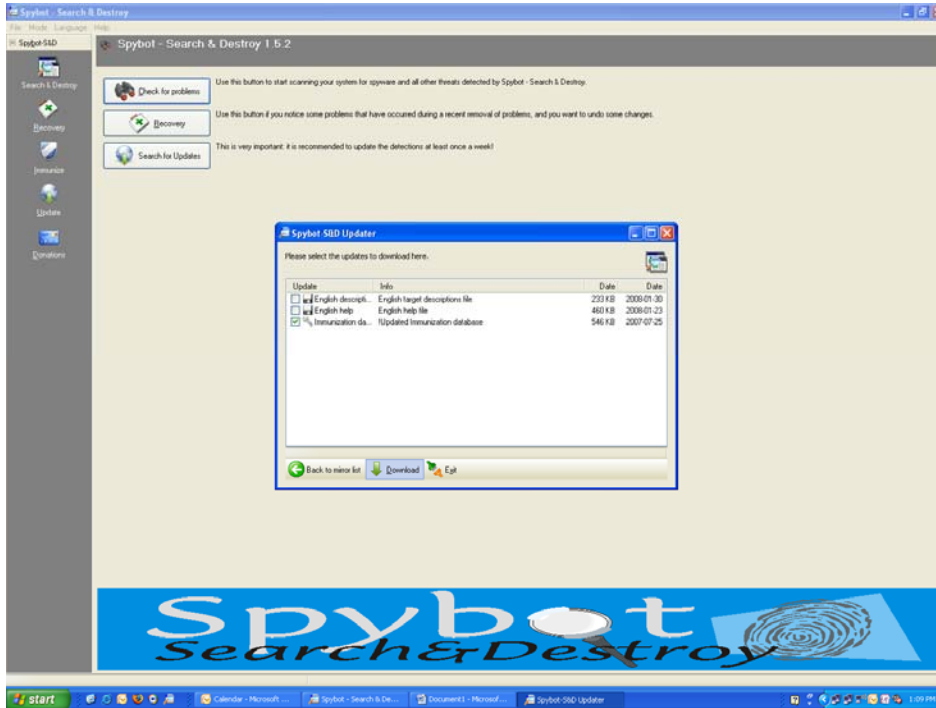

Click on Search

Click on any of the USA sites and hit continue

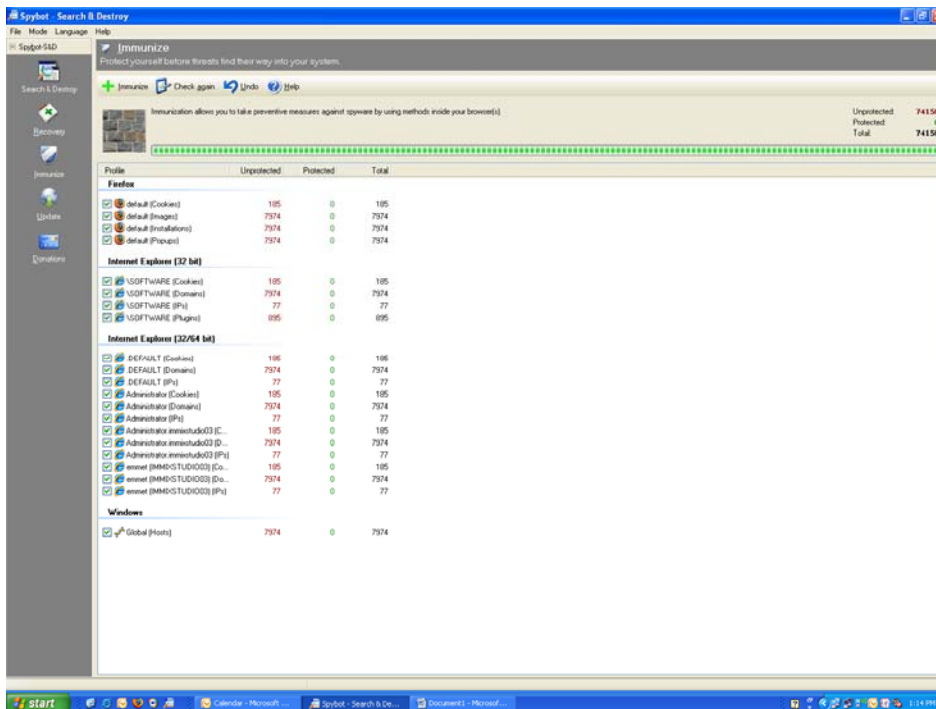

Click on all of the boxes and then download

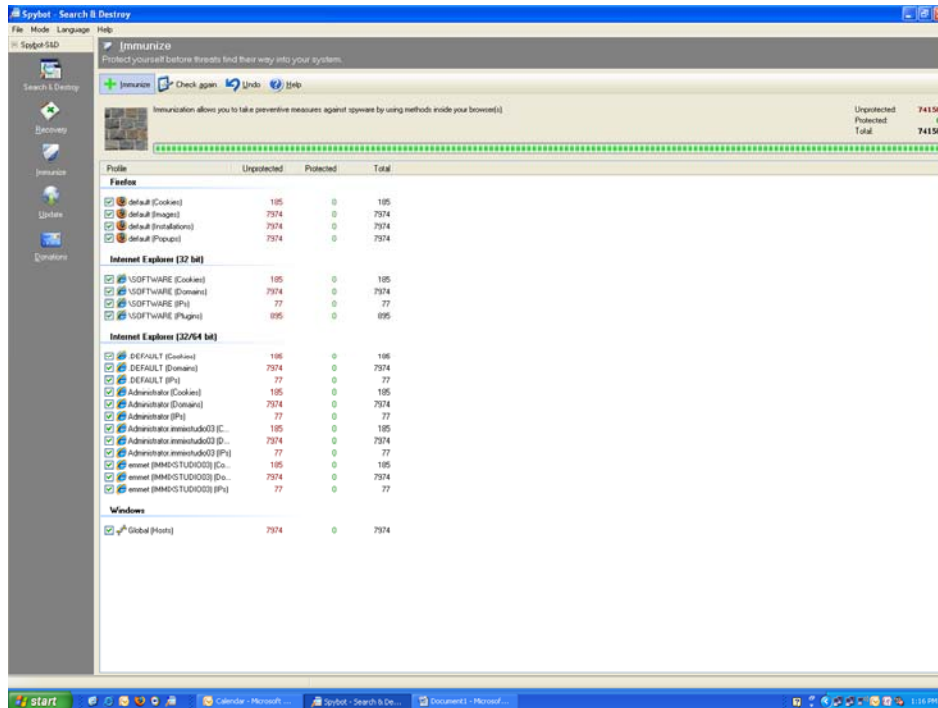

Click exit after downloads are complete

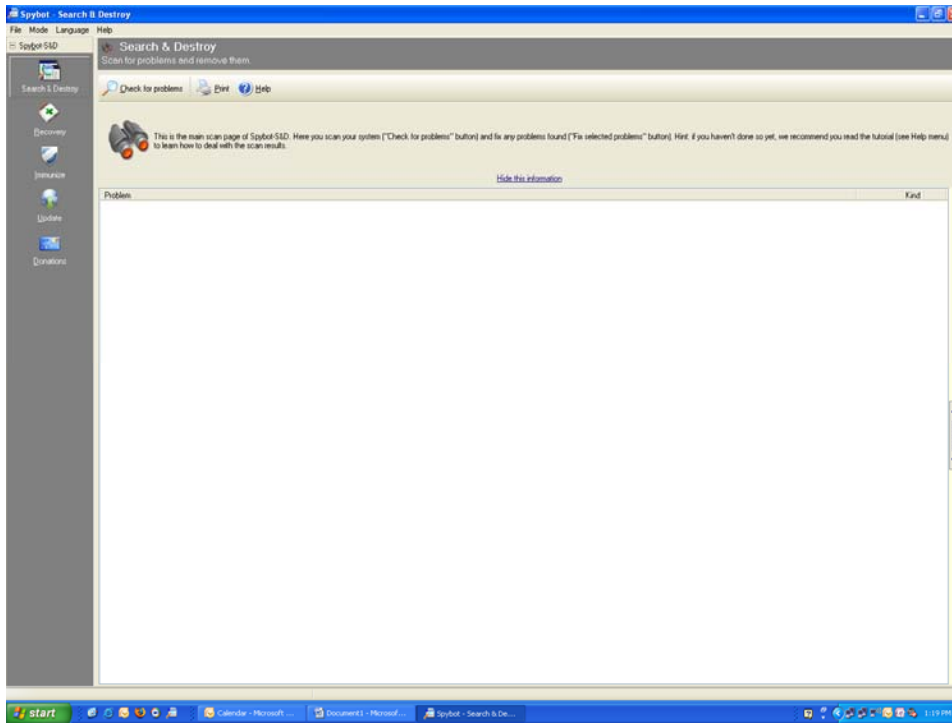

Click Immunize on the left hand side of the screen

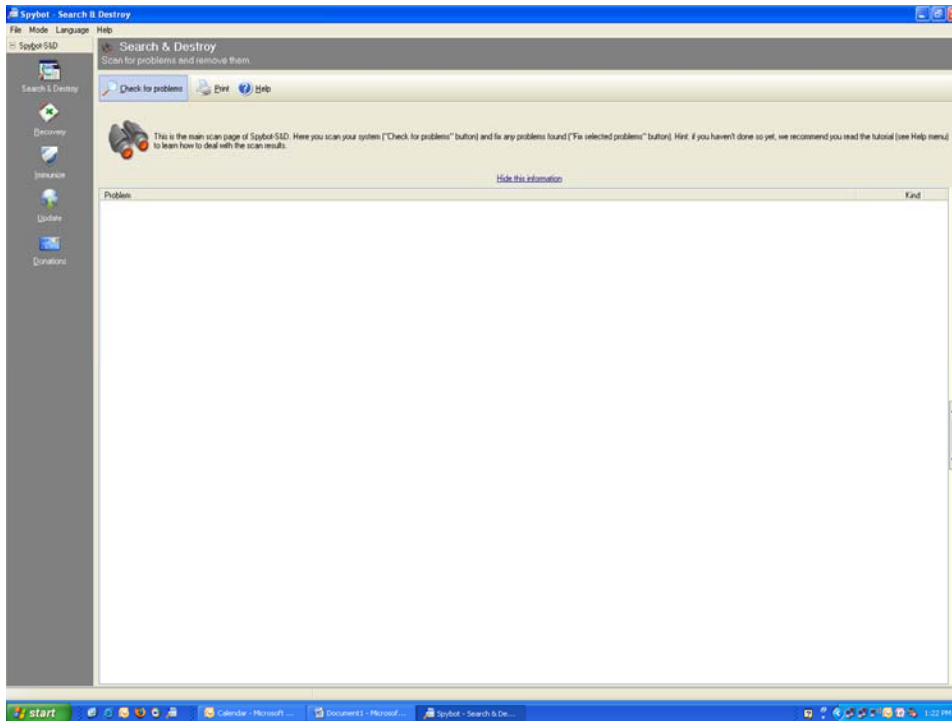

Click on the Green Immunize button

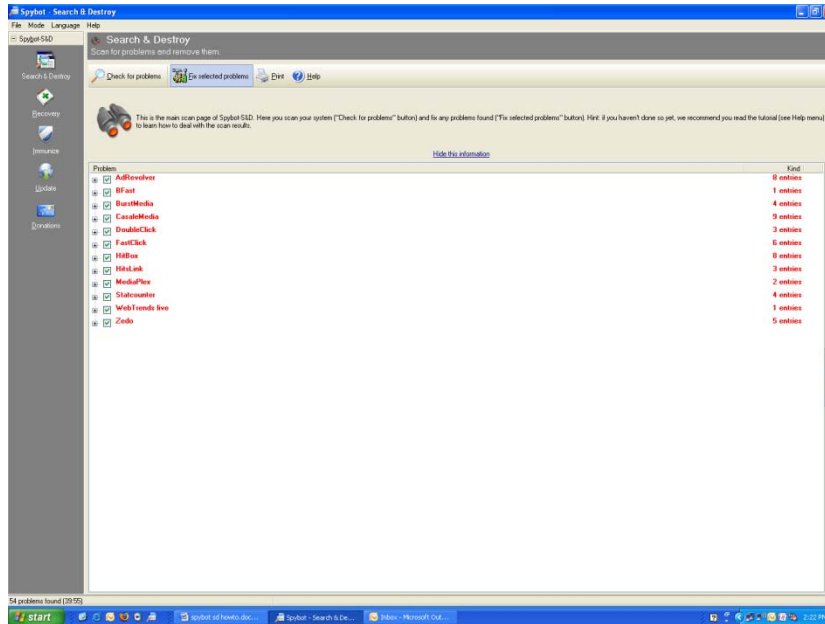

Once the Immunization is finished click on Search and Destroy on the left side of the screen

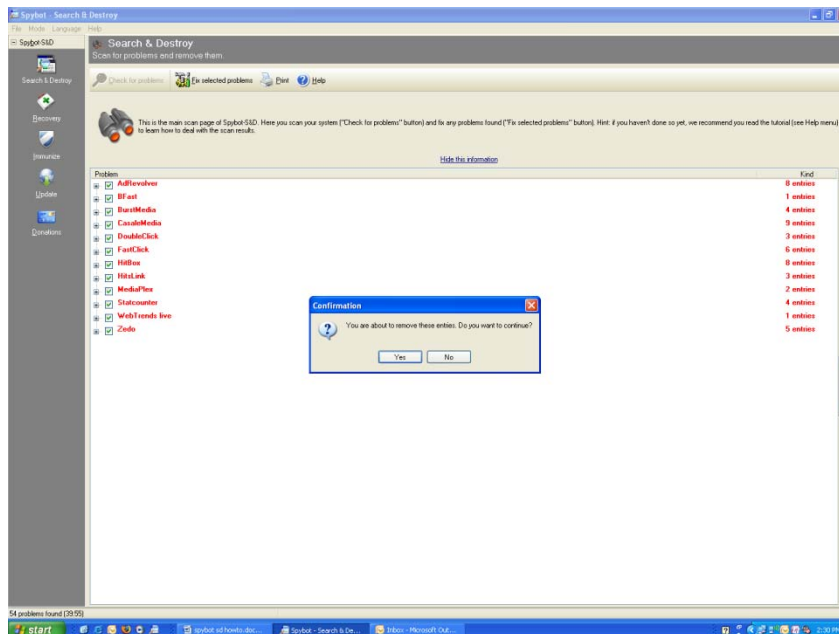

Then click on Check for problems

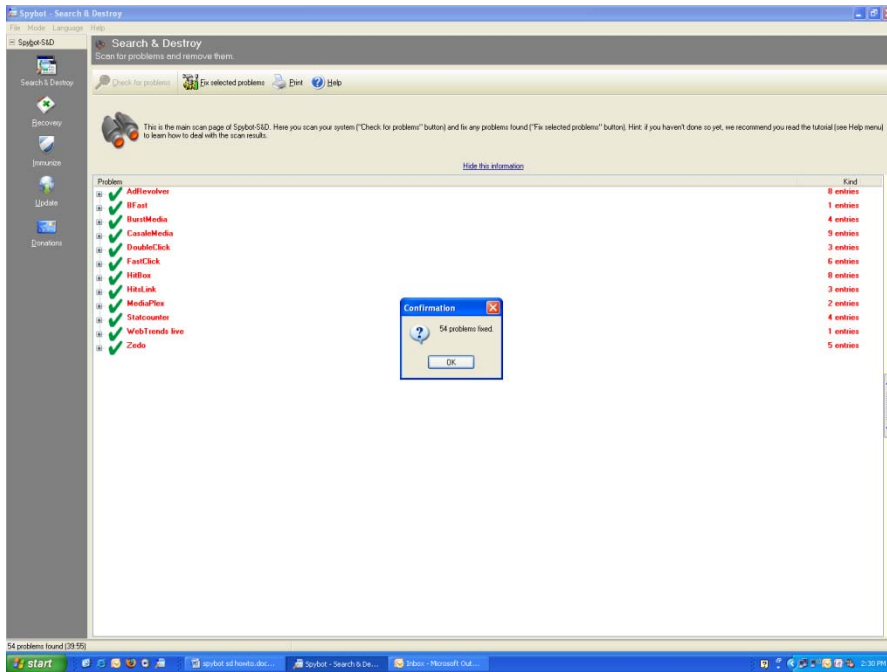

The scan usually takes between 30 minutes and an hour to run
Once the Scan Finishes Click Fix Selected Problems

Click on YES "You are about to remove these entries"

Click OK to finish

You are now finished!

Run this once a week
